

# How to register for a new account on Generac University

*(Previously known as The Service Learning Center)*

## 1. Go to [www.generac.com/university](http://www.generac.com/university)

- If you have an existing account, please do not create a duplicate account.
- Each individual person needs their own account.

## 2. Click on **Register** under the **Create a New Account** section

## 3. If you have a Tech ID or a Dealer Number, please select **Yes** – If not, select **No**

*(formerly the Service Learning Center)*

Generac is pleased to provide these learning tools to help our partners improve their technical and sales knowledge about our ecosystem of products.

### 1 View Course Catalog

Browse the course catalog to find a course and enroll.
